## WORK EXPERIENCE

---

### Mind Power Research And Training Institute

PHP Developer

May 2023 - September 2024

- Developed the Gemologist, Astrologer, Portfolio, and Trayambkeshwar projects, managing both frontend and backend. Achieved a 90% increase in user experience through
- Crafted 5+ functional websites with high-quality, clean, and reusable code

## EDUCATION

---

### AKTU University

Bachelor of Technology (Computer Science) - 7.84

Aug 2017 - Aug 2021

I have learned various technical skills like HTML, CSS, PHP, JavaScript, and Python and have put my hands into them by building small projects.

## PROJECT

---

### Trayambkeshwar

Feb 2024 - Apr 2024

I created an online selling course focusing on gemology and energy-wise scanning of gems, integrating various technologies. Utilized HTML, CSS, Bootstrap, and JavaScript for frontend development, and AJAX with the Laravel Framework in PHP for backend functionalities. Integrated the PhonePe payment gateway and Google Analytics for comprehensive tracking of user interactions. Implemented IP tracking to determine the geographical locations of website visitors.

**Technology Stack:** Utilized modern web technologies, including Laravel , HTML5, CSS3, Bootstrap, JavaScript, Ajax, JQuery, PHP and MySQL

### Mind Power Research and Training Institute

May 2024 - Sep 2024

Developed and maintained the official website for the Mind Power Research and Training Institute (MPRTI), a platform dedicated to training and research in personal development and mind power techniques. The project involved creating an intuitive and user-friendly interface to showcase various courses, workshops, and training programs offered by the institute.

**Technology Stack:** Utilized modern web technologies, including Laravel , HTML5, CSS3, Bootstrap, JavaScript, Ajax, JQuery, PHP and MySQL

## SKILLS

---

Laravel, PHP, HTML, CSS, JavaScript, AJAX, JQuery, Python(Basic), Bootstrap 5, MySQL, phpMyAdmin, Web Application Development Life Cycle, Back-End Developers, Webpage Designing, Responsive Design

## CERTIFICATIONS/TRAINING

---
